John denver annie song lyrics meaning

This could be because you're using an anonymous Private/Proxy network, or because suspicious activity came from somewhere in your network at some point. Anyway, please solve the CAPTCHA below and you should be on your way to Songfacts. Sorry for the inconvenience. Not knowing the name of a song can be frustrating, and it can make an earworm catch on even more. Luckily, if you know some of the lyrics, it's pretty easy to find the name of a song by the words.Basic SearchBy far the easiest way to find a song by its words is to type the lyrics that you remember into the search bar of a search engine. If some of the lyrics are in the title or the lyrics are fairly unique, you'll probably get a direct hit right away. If not, try adding "lyrics" or "song" to your search terms. There are plenty of lyrics sites out there, so using those terms helps pull those up. Doing a search often also pulls up music videos, which is great if that song is really stuck in your head.Search a Lyrics SiteIf you're not having any luck with a search engine, you can try searching on lyrics sites. Most let you search by artist, song title and lyrics. Type the phrase that you remember into the search bar to pull up a list of songs with the closest match by keywords. If you only remember snippets, you can even try searching by keywords. Finding a Song Title From a RecordingIf you can't remember enough of the words, just wait until the next time you hear it. Download a music recognition app onto your phone and run the app. These programs have huge databases of music and use algorithms to listen to recordings and name the song. Unless the song is very obscure or it's a cover, they can usually find the name.Finding a Song Title by MelodyThe algorithms that recognize songs are becoming more sophisticated, which means that you don't even always need a professional recording to find the title of a song. Apps can find titles by melody, which means that all you need to do is hum into your phone's microphone to pull up a list of potential titles. How successful this will be depends on how well you can carry a tune, but it's still a handy tool.Finding a Song by NotesIf you have some musical skills, you can also search for songs by the notes they use. Some search engines are built specifically for musicians to help them find song names. You can enter the notes by using the keyboard search tool to get more precise matches or by using the contour search if you're not sure exactly how it goes. MORE FROM QUESTIONSANSWERED.NET Something went wrong. Wait a moment and try again. anonymous May 8th 2013 report John Denver wrote this song about his wife (at the time), Annie. He compared the way he enjoys all of his favorite things to the way he loves his wife. He also compares beautiful, exciting, and natural occurrences in nature and the great outdoors to his love for her. "Annie's Song" was released as a single from John Denver's album Back Home Again. It went on to become his second No. 1 song in the United States, dominating that spot for two weeks in July 1974. The song also reached No. 1 on the Easy Listening chart as well as in the United Kingdom, while Billboard ranked it as the No. 25 song for 1974. A Song Written As An Ode To His Wife Written by John Denver himself, "Annie's Song" was an ode to Denver's then-wife Annie Martell Denver after their first separation and the impending break up of their marriage in 1974. "You fill up my senses. Like a night in a forest. Like the mountains in springtime. Like a walk in the rain. Like a storm in the desert. Like a sleepy blue ocean. You fill up my senses. Come fill me again," the song goes. RELATED: John Denver Songs: The Best Hits From The World's Best-Loved Performer Denver once revealed that "Annie's Song" was one of the fastest songs he has ever written, composing it in about ten minutes while riding on a ski lift in Aspen, Colorado. During the ride, he reflected on all the joy he found in his marriage and his relief that they were back together. "Suddenly, I'm hypersensitive to how beautiful everything is," Denver wrote. "All of these things filled up my senses, and when I said this to myself, unbidden images came one after the other. All of the pictures merged, and I was left with Annie. That song was the embodiment of the love I felt at that time." RELATED: Meet John Denver's Children: Where are they now? Annie has also recalled the day Denver wrote the song. "It was written after John and I had gone through a pretty intense time together, and things were pretty good for us," Annie said. He left to go skiing, and he got on the Ajax chair on Aspen mountain, and the song just came to him. He skied down and came home and wrote it down… Initially, it was a love song, and it was given to me through him, and yet for him, it became a bit like a prayer." "Annie's Song" has received positive reviews from music critics. Shawn M. Haney of Allmusic, for instance, noted the song's expressive emotionality. He called it an "ever so romantic tearjerker," and praised it as "one of Denver's finest achievements." Billboard, on the other hand, called it a "fine love song." Watch this unforgettable performance of John Denver in the video below. If there ever was a list of songs dedicated for a wife, John Denver's "Annie's Song" would be the crowning jewel among them. This song's resonance is felt even today almost after a half a century since its release. Why? Because John Denver poured his true, raw emotions about his wife-Annie Denver into these song lyrics. There is little surprise that during the lifetime of this song, it has been the music to many weddings across the world."Annie's Song" was released in June 1974 from John Denver's eight studio album 'Back Home Again.' The song was written by John Denver in ode to his then-wife Annie Denver. John himself has spoken about the making of this song and what this song means to him;"Annie's Song" is my most popular song around the world, if not the most famous. It was written after we had been through a particularly difficult time and had come together again, in many ways closer then ever before. We really felt together and much closer from the experiences we'd been through. One day I was skiing, and I'd just finished a run that was totally exhilarating. I skied right down to the lift, got on the chair, and was off and up the mountains again, my thighs burning and still in the process of catching my breath. I looked out at the mountains I love, and the Colorado sky was a blue color you can only see from this altitude-my favorite color, I might add. The deep green of the trees against the white of the snow, the colorful outfits the people were wearing, the sounds if life as it goes over each tower, and birds singing, and laughter, and the smell of the clean, fresh air out there in the wilderness-all those things were going through my mind and it was all beautiful. It filled me completely.I began thinking about other things that are like that for me, and my first thought was of the woman I had fallen in love with again, and how she filled me so completely. Then I stared thinking of other things-things in nature. And in the ten minutes it takes to go from the bottom of Bell Mountain lift to the top, I had written "Annie's Song." I had the melody in my head, and I knew the chords on the guitar. I skied down to the bottom, of the hill, raced home, picked up my guitar, and played it. Noel Stookey of Peter, Paul & Mary said sometimes he didn't feel so much like the writer, but rather the instrument of that which wants to be written. That's what this felt like to me. "Annie's Song" is a song for all lovers and, in its deepest sense, a prayer to the love in us all."John Denver on "Annie's Song"John and Annie Denver on their wedding day (Image Credits: makatofreepress.com)Later, John Denver commented that "Annie's Song" is not only for a wife, and that it could be dedicated to anybody: "Whatever meaning 'Annie's Song' had for me on a personal level, there was also a larger context. It could just as easily have been about love for a brother. Or a father. Or a friend. It could just as easily have been a prayer."Listen to "Annie's Song" by John DenverDownload "Annie's Song" on iTunes and AmazonBuy 'The Essential John Denver' Album with Greatest Hits on iTunes and AmazonThe song ranked #1 on Billboard Hot 100 for two weeks in 1974, and is one of the best works by John Denver.Lyrics Review and Song Meaning of "Annie's Song"The entire song is a dedication to that wholesome feeling of love one person could inculcate in another. In this instance, John was thinking about his wife Annie. Often times, most difficult times make the relationships stronger. As John said in the above paragraph, they had been going through some trying times and this sparked an emotion within John to come up with this song in an instance.The song draws examples from nature–how nature fits perfectly within itself–to equate the same feeling in his relationship. 'A night in a forest' is one of the most beautiful and eerie things there could be. But night time fills up the forest, much like how his wife fills up his life with love and affection. A mountain in springtime is filled with blossoming life and so does their love for each other grow. A storm in the desert could be the most difficult thing to survive; their relationship is not without difficulties. And sometimes like a sleepy blue ocean, everything is calm and quiet.In the next verse, John Denver pleads his wife to give him the chance to love her and be loved. He asks to hold her forever and die in her arms.The Story of John and Annie DenverThis pure magical flow of emotions was not enough to keep John and Annie Denver together till death do them apart. Their marriage lasted from 1968 to 1982. From 1971 the couple moved to Aspen, Colorado, where he composed the lyrics to "Annie's Song." In an interview in 1983, John confessed that his career demands drove them apart. Even Annie confirmed that they were too immature and young to have dealt with John's growing success. After the divorce, the property settlements aggravated and drove John to a point of allegedly choking Annie Denver, and cut their marital bed in half with a chainsaw. And thus ends a love story that sparked an entire world for generations and generations.John and Annie adopted two kids, a boy and a girl-Zachary and Anna.John and Annie Denver in Aspen, Colorado. (Image Credits: Pinterest)John Denver re-married an Australian actress Cassandra Delany in 1988 and this marriage lasted till 1991. They had a daughter named Jesse Belle.John Denver with Cassandra Delany. (Image Credits: Pinterest)John Denver passed away in a plane crash piloted by himself in 1997. He is believed to have been intoxicated at the time.John Denver's life may have not been the epic love saga that is "Annie's Song." However, we have to believe that the inspiration for the song came from a most real place in his heart at the time. Unfortunate how their story did not turn out to be as what is mentioned in the lyrics. But the true feelings and emotions of the song are forever trapped in these lyrics, and can be felt in John's vocals in this song.Let us know what you feel about "Annie's Song" by John Denver. How can you relate to this song? Who makes you feel as John did when you hear this song? Drop a comment below.Complete Lyrics to "Annie's Song" by John Denver
